2007 Membership Report

As of December 31, 2007, there were 164 departments/agencies that were members of the Colorado State Fire Chiefs' Association out of an estimated 395 departments in the state (41.5%).

The overall total for 2007 was down 4 departments from the 2006 total of 166. However, a total of 32 departments that were members in 2006 did not renew in 2007. The difference is that the Association picked up 28 new members in 2007, which included 4 county emergency management offices. The CSFCA also picked up 2 new associate members in 2007.

CSFCA Membership by Region

Region	Total Members	Total Departments	Percent Participation
North Central	52	81	64.2%
Northeast	28	80	35.0%
Northwest	32	51	62.7%
San Luis Valley	3	24	12.5%
South Central	16	47	34.0%
South	12	41	29.3%
Southeast	7	27	25.9%
Southwest	9	18	50.0%
West	5	26	19.2%

Attached is a list of Colorado fire departments by region. The departments highlighted in yellow are current 2007 members. Those highlighted in gray were members in 2006, but did not renew their membership.
