## **Legislative Update**

The first regular session of the 66<sup>th</sup> Colorado General Assembly was convened on January 10, 2007. Democrats control the legislative and executive branches for the first time in 50 years. The House is controlled 39-26, and the Senate is 20-15. The leadership remains as is from last session with Rep. Andrew Romanoff of Denver as Speaker, and Sen. Joan Fitz-Gerald of Golden as Senate President.

To date, the following bills of interest to the Colorado fire service have been introduced. Please note that the Association position is as of this writing and is subject to change.

**SB07-007**                      **Concerning the Qualification as a Volunteer Firefighter for Purposes of a Volunteer Firefighter Pension Plan.** (Taylor, Witwer)

**Assignment:**                Senate Business, Labor and Technology                **Position:**                Support

**Bill Summary:** In the case of a municipality or district volunteer firefighter pension plan, modifies the existing definition of a "volunteer firefighter". Identifies additional types of benefits and payments that are excluded from the definition of "compensation".

**HB07-1008**                      **Concerning Workers' Compensation Coverage for Firefighters who Contract Certain Types of Cancer.** (Cerbo)

**Assignment:**                House Business Affairs and Labor                              **Position:**                Monitor

**Bill Summary:** Requires that, under the "Workers' Compensation Act of Colorado", if a firefighter contracts cancer of the brain, skin, digestive system, hematological system, or genitourinary system, the condition or impairment shall be deemed to have occurred within the course and scope of employment unless a physical examination of such firefighter shows evidence of such condition or impairment that preexisted employment. Requires any denial of a claim arising under this act to be supported by clear and convincing medical evidence that the cause of the condition or impairment is unrelated to the firefighter's employment.

**HB07-1044                    Concerning Protective Services For At Risk Adults.** (McFadyen, Williams)**Assignment:**                    House Health and Human Services                    **Position:**                    Monitor

**Bill Summary:** Requires an individual from a specified group of persons (including Fire protection personnel) to make an oral report within 24 hours if he or she has observed mistreatment, self-neglect, or financial exploitation of an at-risk adult or has reasonable cause to believe that an at-risk adult has been mistreated, self-neglected, or financially exploited or is at imminent risk of mistreatment, self-neglect, or financial exploitation. Makes failure to report a class 3 misdemeanor.

Note: Under current law, fire protection personnel are encouraged to report. If enacted, this bill would make reporting mandatory and failure to report would be a class 3 misdemeanor.
