

CFSCA
COMBINATION SECTION MEETING
SEPTEMBER 26, 2007

AGENDA

Our Special September Meeting will be held on Wednesday, September 26 at the North Washington Fire Department at 1000.

1. Welcome and Introduction of members present

2. Dino Ross, Ireland Stapleton, will facilitate a discussion on volunteer benefits and their regulations according to the IRS, Department of Labor (FLSA) and the FPPA. Emphasis will be put on the enactment of last year's legislation that established new guidelines in these areas. This will be a great opportunity for us to have a discussion and learn from a true professional in the area of labor law. I can relate to you from personal experience, Dino Ross has assisted and guided our department in many very difficult and sensitive areas and is a great resource in the area of labor law issues. This meeting will be a real benefit to all those that attend.

3. Reach out to a neighboring volunteer or combination department Chief Officer and invite him/her to attend this meeting. It is always good to see new faces and hear new ideas.

4. Our regularly scheduled next meeting will be on Friday, October 19, 2007 at 1000 at the Lake Dillon FPD. Chief Parmley has a great program set up on Chief Officer Survival in the Fire Service. Please made plans to attend another very informational and beneficial Combination Section Meeting in October.
