Keynote speakers are still needed. Chris Riley, Chief of Pueblo, is confirmed for Friday morning. Other possibilities are Bob Brown, Ken Rice, Gary Breeze, Byron Crandell, Hub Alhbrant, and Howard Cross. Paul Cooke will check into a session on fire marshals as a possibility. Gerry Morrell will check into someone doing sessions on combo chiefs and EMS/ambulance in the fire service.

VENDORS

OTHER

New chiefs’ meeting will be held before the business meeting on Thursday morning.

Theresa has taken care of the lanyards.

Dave Pischke reported he has been working with Julia to locate a new conference site for 2009. Two locations in Colorado Springs have been identified as possibilities and he will be visiting them in the near future to determine if they will work.

Paul Cooke reported that using a credit card service bureau for on-line registration for the conference appears to be cost prohibitive. Using credit cards for mail-in registration will still be okay.
