

LEADERSHIP COMMITTEE MEETING  
Beaver Run Resort, Breckenridge  
September 12, 2007

The meeting began with a tour by Emily of the Beaver Run Resort conference rooms that will be used for the Leadership Conference November 29-December 1, 2007. There was discussion concerning the possibility of adding more tables in the hallway to accommodate additional vendors. Since the meeting, the committee has received email from Jackie Pike indicating that no additional tables will be allowed due to safety of the conference participants. The maximum number of vendor tables in the hallway will remain at two.

The remainder of the meeting was held in the restaurant meeting room.

EXHIBITORS

There are 99 exhibitors for this year's conference. Steve Pischke reported that one company would like to do badges for the conference in exchange for a vendor spot inside the door. After some discussion, this offer will be pursued because it will save time, and the company also has the ability to make the badges right at the conference. They are also willing to provide the lanyards. Theresa already had lanyards made but she will be able to use those for other activities. There was also discussion about using different colored backgrounds on the badges signifying what meals have been paid for or possibly using a clicker for meals. These options are being looked into. Vendors will also be given badges.

VENDORS

Approximately 10 vendors have not paid. Full payment is due October 1, 2007. Reminder letters will be sent and if payment is not received, other vendors will have the option of signing up. Electricity will be provided for the vendors but if they need additional outlets, the vendors will be required to pay. If they need access to wifi, they will need to get with the hotel. Cost is approximately \$200/day.

SPEAKERS

Eleven speakers have committed to the conference. Six will be doing the am sessions and 5 will be doing the pm sessions.

SPONSORS

Reminder notices for ads and sponsors will be sent out. DRI is sponsoring Gordon Graham and Masimo Corporation is sponsoring Mike McEvoy. The audio-visuals will be done by Paul, who recently left Beaver Run but has returned, and has handled the audio-visuals for the conference in the past.

## NEXT MEETING

The next committee meeting will be the pre-conference meeting on Thursday, November 29, at 5:00 pm in the Boardroom. Committee members should plan to be at Beaver Run Wednesday night, November 28, or early Thursday morning, November 29.
