

CSFCA
COMBINATION SECTION MEETING
RESCHEDULED MEETING
MAY 8, 2009

AGENDA

Our next meeting will be held on Friday, May 8, 2009 at 1000 at the Evans Fire Department in Evans.

1. Welcome and introduction of members and guests present.

2. Megan Meagher, OSHA Representative, will meet with us to discuss how OSHA functions, its duties and responsibilities, how they interface with fire departments, the recognition of occupational hazards, their mitigation, and what can happen when OSHA standards are not complied with. We hope to have Paul Cooke give us an update on legislative issues and CSFCA activities and projects.

3. Please spread the word about joining the CSFCA and our Combination Section, especially to new Chief Officers as they move into your area. Invite them to attend our next General Membership Meeting, which will be on Friday, June 12, 2009 in Steamboat Springs. For more information please see our website at: coloradofirechiefs.org or call Paul Cooke at 720-874-8116.

4. Reach out to a neighboring volunteer or combination department Chief Officer and invite him/her to attend our meetings. New faces and new ideas help us to grow and expand our knowledge.

5. Thanks for your support and participation in the IAFC, CSFCA, and the Combination Section.
