

# AARON SIRBIN BENEFIT FUND

Sponsored by

## Genesee Fire Rescue

Aaron Sirbin has been a member of Genesee Fire & Rescue for 18 years and the lead instructor for firefighter training since 1993. He is a former employee of the Genesee Foundation and at age 47 has suffered a series of strokes due to a rare, non-cancerous blood disorder. It will be many months, if ever, before Aaron will be able to return to work.

Fortunately, Aaron has medical insurance that covers much of the costs associated with his treatment. That being said, however, he already faces major expenses not fully covered by insurance that are escalating at an alarming rate with each passing day.

Contributions may be sent or dropped by Genesee Fire Station or by a direct deposit to the Aaron Sirbin Benefit Fund at 1st Bank of Colorado, Colorado Mills Branch, 14185 W. Colfax Drive, Golden, CO 80401 (303-239-9000) or any 1st Bank location.
