

BILLY GOLDFEDER BACK IN THE NEWS

DON'T MISS THIS ONE!!!

Many of you signed up for the “Billy Goldfeder” presentation/lecture when it was going to be held last February. As you know he had to cancel for some personal reasons, but we now have him rescheduled. He will be presenting his talk “Not Everyone Goes Home” on Thursday, June 24, 2010 at 1830 hrs. (lasting approximately 3 hours), and again on Friday, June 25, 2010 at 0900 hrs. (lasting all day, and you are on your own for lunch).

It will **now be held in the Durango High School Auditorium** located at 2390 N. Main Ave. Many thanks to the 9R School District for cosponsoring this event. There will be no cost to DFRA members, but for non-DFRA members the cost on Thursday will be \$10.00 and for Friday \$20.00.

As you recall – Chief Goldfeder is the best of the best, and is the most sought after speaker in the country. You do not want to miss this one. To sign up (limited seating) call Bob Harms @ 970-382-6013 or 970-769-5056 or just come by and sign up on the training bulletin board.

As already stated – if you are from out of town – just call Bob Harms and he will get you on the list. Make checks payable to “Durango Fire and Rescue Authority”. We’d love to have you.
